

Ohio Revised Code

Section 4905.304 Examining coal research and development costs incurred by gas or natural gas company.

Effective: April 5, 1986

Legislation: House Bill 750 - 116th General Assembly

Once in every six months, the public utilities commission shall examine Ohio coal research and development costs incurred by a gas or natural gas company. The commission shall adopt a rule that:

- (A) Requires periodic reports, audits, and hearings and establishes investigative procedures for the purposes of this section;
 - (B) Allows recovery on a uniform basis per unit of sale of the Ohio coal research and development costs incurred by a gas or natural gas company;
 - (C) Requires the reporting of such data by gas and natural gas companies as the commission considers necessary for the purposes of this section.
